## Activate by phone

You can also activate by phone. You should be at your PC and have your Product Key available when you call.

1. In the Activation Wizard, select your country/region and you will be given the appropriate telephone numbers.
2. Call the Activation Center.

## Activation Help

Be sure to activate your copy of Microsoft Office 2010 within 30 days to avoid defaulting to "viewer mode" - a mode that disables document editing.

For more information go to <http://support.microsoft.com/activation>.

## Learn More

At home, in the office, at school, or on the go, your life never stops moving. Microsoft Office gives you smart, simple, time-saving tools to help you keep up with it. To learn more go to [www.office.com](http://www.office.com).

## Customer Support

Microsoft technical support is included for 1 year. It begins once you activate your Office 2010 license.\*

## There are three easy ways to get help if you need it:

1. **Product:** Open any Office 2010 application and click on the **Help** button.
2. **General Support:** <http://support.microsoft.com/office2010>
3. **For a complete list of support telephone numbers:** <http://support.microsoft.com/officephone>

\* Support services are subject to current prices, terms, and conditions, which are subject to change without notice. See [support.microsoft.com/office2010](http://support.microsoft.com/office2010) for details.
